IMPORTANT NOTES

Türkiye time zone is GMT+3

Important Note for Visa Applicants:

For those who require a visa to enter Türkiye, it is recommended that you apply at least 60 days in advance to ensure timely processing and avoid any travel disruptions.

In May, Antalya enjoys warm and pleasant spring weather, with daytime temperatures typically ranging between 20°C to 28°C (68°F to 82°F). Evenings can be slightly cooler, around 15°C (59°F), so we recommend bringing a light jacket or sweater for nighttime events.

Do not forget your usual medications, as well as gastric treatment if the changes of food and temperatures can disturb you.

The electrical current in Türkiye is 230V with a frequency of 50Hz.
The country uses Type C and Type F plugs, which have 2 round pins.

National currency is Turkish Lira ₺. Payment by credit card is widely accepted.

Dress code :

Business casual for Tuesday & Wednesday
As part of our seminar experience, we're also excited to include a safari activity, so please pack comfortable outdoor clothing such as:
